The Fells is holding their annual garden tour in the town of Warner this year. Visit <http://www.thefells.org> for more information. Suggestions for capitalizing on this opportunity included making up a handout with a discount coupon good for discounts at participating shops (not just that day but future as well) and setting up a table with information about Warner. **Action Item:** *Laura will organize a group to make this happen.*

Covered Bridge Dance

Cheryl brought forth the idea of a 4th of July (or sometime during the summer) dance/BBQ on the covered bridge. The group thought maybe the weekend after Labor Day would be good. **Action Item:** *Cheryl will do some preliminary checking to see if this is even feasible.*

Other Business

Nancy reported that the library is putting the finishing touches on their Summer Reading Program.

A tanning salon and quilt shop are going to be moving into the Velvet Moose building.

Cheryl suggested that the Retailers and significant others hold a social outing such as a dinner cruise on the MV Mt. Sunapee. The group thought that sounded like a good idea.
